

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on Safety in Material Handling

25th February, 2022 (10 00 – 1300 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

Injuries due to manual handling can be hard to prevent, which is why eliminating of these lifts as possible as important. Tasks and work areas can be planned out to reduce the chance of manual handling injuries.

Therefore, Regional Labour Institute, Kanpur under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

The objective of the programme is to generate awareness among the participants about the manual handling injury prevention so that the participants can effectively contribute in the industries for the management of the hazards related to handling of materials.

Participants will be able to understand

- Safety in manual handling of material.
- First aid techniques for material handling injuries.
- Safety in Storage & Stacking of materials/ safety videos

Programme will be conducted in English/Hindi Language.

Participants

This programme is designed for Safety Officers, Engineers and Executives related to above subject. Only 50 participants will be accepted on 'first come first serve basis' to ensure quality
