

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Program on “Understanding Industrial Dust Exposure at Workplaces” 27th January, 2022 (10.00 - 13.00 hrs)

DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Industrial workers in their day-to-day work are exposed to occupational airborne contaminants viz., gaseous form (gases and vapours) or as aerosols includes airborne dusts, sprays, mists, smokes and fumes. Airborne dusts are of particular concern because its exposure are associated with classical widespread occupational lung diseases like Pneumoconiosis, and also systemic intoxications like lead poisoning, etc., The objective of this program is to create awareness and understanding about the industrial dust exposure and other aspects on dust exposure at workplaces.

Programme Highlights

- An Overview of dust exposure in industries.
- Dust Exposure: statutory provision in Factories Act-1948.
- Basics of Dust assessment and its control
