

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON “ACCIDENT REPORTING & INVESTIGATION” 27th January, 2022 (10.00 - 13.00 Hrs.)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

Accidents are of vital concern to anyone involved with safety. They are the end result of many faults both on the part of the employees and the part of management. It is primary objective of the management to reduce accident rate. Before an accident can be analysed & its causes may be established, it must be reported to concerned authority. Reporting of near miss accidents is important because, if a pattern of near miss accidents can be spotted, control measures can more likely be instituted to correct the situation.

Programme Highlights

- Basic Principles of Accident Prevention
- Accident reporting and investigation
- Statutory requirements under Factories Act

Participants

Engineers, Supervisors & middle management employees working in various industrial units. Only 50 participants will be accepted on 'first come first serve basis' to ensure quality learning.
