Ministry of Labour and Employment, Government of India

## Half - day Online Training Programme on “Mechanical hazards and their prevention & control measures” 16th February, 2022 (14.30 hrs - 17.30 hrs)

### About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health (OSH) in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at workplaces.

### Background

Machinery hazards arise from a discrete number of sources – movement, energy, sharp edges, electricity, materials, physical agents and radiations. An essential element in the safe use of machinery is the identification of such hazards so that action can be taken to remove them before harm or injury are caused. The programme seeks to provide guidance regarding techniques for protecting the operators from mechanical hazards of a range of machinery from the simplest to the most complex.

Therefore Central Labour Institute, DGFASLI, Mumbai is providing online training platform for interested participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of the Covid 19 pandemic situation/preventive measures.

### Programme Highlights

- ❖ Statutory requirements relating to control of mechanical hazards at workplace.
- ❖ Machine Guarding
