## About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

## Background

Productivity, and Quality are derivatives of a healthy workplace culture with best practices and methodology and when it comes to work culture, safety culture is something which cannot be ignored. Ensuring safe and healthy workplace is every employer's priority. Instilling safety awareness and adherence to the safety protocols in order to achieve the organizational goals and objectives set by the top management is one of the prime focus areas. The employer's endeavor should be to provide and ensure accident free workplace. This will result in a motivated workforce, better safety culture and higher productivity.

Safety culture increases productivity and quality; the absence of accident occurrences and safe workplace will help the organization improve its productivity quality and profits. This programme is intended to provide an in-sight on Role of Safety culture in promoting Productivity and Quality at workplace.
