DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Mechanical hazards and their control in MSMEs” 28th May, 2022 (14.30 - 17.30 hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health (OSH) in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at workplaces.

Background

MSMEs provide the largest share of employment after agriculture. The sector is complementary to large industries as ancillary units and thus contributes enormously to the socio-economic development of the country. However, the employees engaged in different industrial activities in this sector come across with several work related injuries, diseases & fatalities due to inadequate safety management & control of Mechanical hazards, which directly or indirectly impact their growth and productivity. Lack of awareness about safety and health issues is one of the key factors which need to be properly addressed to encourage and motivate MSME to develop & involve systems for controlling Mechanical hazards at the workplace.

Therefore Central Labour Institute, DGFASLI, Mumbai is providing online training platform for interested participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of the Covid 19 pandemic situation/preventive measures.
