

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half-day Online Training Programme on “Loss Prevention Approaches in Industries” 25th May, 2022 (14.30 – 17.30 hrs)

About DGFASLI & Regional Labour Institute, Shillong

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute, Shillong is going to settling up with the objective of providing technical services for improvement of Safety, health and well- being of workers employed in factories and other industries of NER.

Background

Process safety and loss prevention is the State-of-the-art process safety methods to help operating industries and avoid adverse events and incidents. It is therefore critical for organisations to reduce the risk of incidents and their potential impact to the workers and society. Proper risk identification, the emergency response systems, safety management system with industry standards and legal regulations will help to control the loss.

Therefore, Regional Labour Institute, Shillong under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/ laptop/ desktop (with webcam, microphone & speaker).

Programme Highlights

- ❖ Introduction of hazards related with industries specially chemicals handling industries, storages.
- ❖ Statutory provisions for emergency system, safety reports, site notification.
- ❖ Risk identification methods in chemical process..
- ❖ Process hazard analysis, safety management, process safety, explosion protection, chemical safety, and fire protection for loss control.
- ❖ Techniques for accident prevention.
