**Half day Online Training Program on
“Control of Accident and Hazard in Process Industries”
19 April 2022 (14.30 - 17.30 hrs.)**

DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Chemicals and its products, apart from industrial operations have become an integral part in our life. Industrial organizations with enhanced safety culture help to prevent chemical mishaps. Risk assessment plays a major role in controlling the accidents and hazard in process industries. This training program is intended to create awareness about the chemicals and its associated hazards and various aspects of safe handling of chemicals to enhance the safety culture within the industrial establishments.

Program Highlights

- Risk assessment in storage and transportation of hazardous chemicals
- Plant Safety Inspection and Hazard Control
- Statutory Requirements
