

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON SAFE HANDLING OF MATERIALS IN FACTORIES 18th April, 2022 (14.30 - 17.30 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

Handling and storing materials involve diverse operations such as hoisting tons of steel with a crane; driving a truck loaded with concrete blocks; carrying bags or materials manually; and stacking palletized bricks or other materials such as drums, barrels, kegs, and lumber. The efficient handling and storing of materials are vital to industry. In addition to raw materials, these operations provide a continuous flow of parts and assemblies through the workplace and ensure that materials are available when needed. Unfortunately, the improper handling and storing of materials often result in costly injuries

Programme Preamble

This program is designed for creating awareness about the safety to be taken during handling & storage of material.

Programme Highlights

- Basic Principles of correct lifting and handling of material
- General Hazards of Material Handling
- Manual Handling
- Mechanical Handling

Participants

This training is being organized for the senior and middle level executives engaged in factories/construction/ports. The number of participants to be enrolled for this course will be up to 50 only on first come first serve basis.
