HALF A DAY TRAINING PROGRAMME ON
Vapor Cloud Explosion, Pressure Vessel Failure & Case Studies
MAY 2022 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

In development projects, an engineer considers the possibility of a vapor cloud explosion in the sitting and design of a process plant from day one. The most important decisions pertinent to the location of different process areas, separation between different areas, location of occupied buildings and overall layout may be made at the conceptual stage of the project. The importance of analysing above parameters helps safety professional for developing mitigation strategies in their plants.
