About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Hoisting operation is an operation concerned with the lifting, shifting and lowering of a load. Lifting operations are inherent to many occupations in the Industries and Ports. Improper planning of hoisting operations can lead to significant risks to workforce working in that working area. The costs of accidents and ill health related to lifting operations are immense. This training program provides overview on the risks associated with hoisting operations and measures to reduce these risks in Industries and Ports.

Therefore, Regional Labour Institute, Chennai is providing online training platform for Intended participants to learn Safe hoisting operation from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
