DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

**Half-day Online Training Programme on
“Techniques for Hazard identification and risk assessment in factories involving hazardous process”
on 24th May, 2022 (14.30hrs - 17.30hrs)**

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health (OSH) in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at workplaces.

Background

The techniques for hazard identification and risk assessment form an integral part of an Accident Prevention Programme which is required to minimize the occurrence of accident in hazardous process industries. The potential for major industrial accidents, which has become more significant with the increasing production, storage and use of hazardous substances, has emphasized the need for a clearly defined and systematic approach to the control of such substances in order to protect workers, the public and the environment. This training programme has been designed to provide inputs to all those who are engaged in hazardous process industries.

Therefore Central Labour Institute, DGFASLI, Mumbai is providing online training platform for interested participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of the Covid 19 pandemic situation/preventive measures.
