

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON SAFETY MEASURES FOR WORKING AT HEIGHT 09th May, 2021 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

The working height can be dangerous if safety precautions are not taken. One should know that even a drop of a few inches can cause serious injury. Fall accidents happen while working at height and most of them prove fatal. This program is intended to help the industry managements/workers to understand the seriousness and of fall accidents.

Programme Preamble

This program is designed with for creating awareness about the safety to be taken for working at height. Work requiring the use of stairways, ladders, scaffolding etc must be studied in order to eliminate as much risk to workers.

TOPICS

- Hazards and safety provisions associated with Design & Construction of Stairways, Ramps, Gangways, Ladders etc
- Statutory Provisions for working at height
- Scaffolding and its type.

Participants

This training is being organized for the senior and middle level executives engaged in factories/construction/ports. The number of participants to be enrolled for this course will be up to 50 only on first come first serve basis.
