

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Safeguarding of Machinery”

05 July , 2022 (1000 - 1300hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Machines are dangerous because they are designed to change the shape and form of materials which human strength cannot do. Whenever machine and man meet, the possibility of accident is always there. Unguarded machinery claims far too many limbs and lives from workers around the world. Such tragedies can be avoided by better training for machine safeguarding, and most importantly, by making machines in the workplace safer.

Therefore, Regional Labour Institute, Chennai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

- Statuary Requirement for Safeguarding of Machinery
- Overview and types of Safeguarding of Machinery
- Principal and Ergonomics of Machine Guarding.

Participants

Safety Professional, Supervisor who are involved in process, production, operations & maintenance, Safety Committee Members and Middle level managers. Only 50 participants will be accepted on 'first come first serve basis' to ensure quality learning.
