

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON HAZOP 3rd June 2022 (10.00 - 13.00 Hrs)

About DGFASLI & RLI, Faridabad

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. The Regional Labour Institute at Faridabad is a subordinate office under the DGFASLI and caters to occupational safety and health in factories in the northern part of the country.

Background

Hazard and Operability Analysis (HAZOP) is a structured and systematic technique for system examination and risk management. In particular, HAZOP is often used as a technique for identifying potential hazards in a system during design stage or an operating plant and identifying operability problems likely to lead to nonconforming products. HAZOP methodology helps to stimulate the imagination of team members when exploring potential deviations.

Programme Preamble

This training program is intended to assist the industry managements in design, development, production, maintenance or a safety/environmental role using the HAZOP study. People in all these disciplines regularly lead, or are to be involved in HAZOP studies.
