

Half-day Online Training Programme on State of the Art Tools & Technologies for Occupational Health and Safety Informatics 29th July, 2022 (10 00 – 13 00hrs)

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

Background

No worker should sacrifice his or her life for livelihood. Occupational health, hygiene and safety practices in the industries are of utmost importance for sustainable development. The science and technologies are ever changing domain for continual improvement. Occupational health and safety is not of its exception. New tools and technologies like artificial intelligence, machine learning, Internet of Things, nanotechnology, Augmented Reality, Virtual Reality are being applied every day for improving occupational safety and health. Occupational safety and health practitioners, professionals, safety officers, managements should aware of these "state of the art" tools and techniques for improving overall health and safety at workplace.

Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
