Ministry of Labour and Employment, Government of India

Half day Online Training Program on
“Safety with material handling in Construction Industries”
6th September 2022 (10.00 - 13.00 hrs.)

DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

It is important that workers involved with hoisting and rigging activities are trained in both safety and operating procedures. Hoisting equipment should be operated only by trained personnel. The cause of rigging accidents can often be traced to a lack of knowledge on the part of a rigger. Hoisting and Rigging provide workers with a basic knowledge of principles relating to safe hoisting and rigging practices in the construction industry.

This training program is intended to discuss the Accident prevention technique in regard to lifting safety at construction site.

Program Highlights

- Overview of Lifting Safety in Construction
- Crane Safety in Construction Site
- Rigging safety in Construction site
