About DGFASLI & Central Labour Institute-Mumbai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Central Labour Institute, Mumbai is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health.

Background

Ergonomics is important tool in industries where workers are working in different workplaces such as shopfloors, offices, control panel etc. But if workplaces facilities provided to the workers has mismatched with work and workstations than it will cause serious ergonomics hazards that would allow to cause various pains, WRMSDS in the working population and surrounding locality. Hence it is imperative to have comprehensive knowledge and skills on ergonomics, its principles and Equipments use for its evaluation.

Therefore, Central Labour Institute, DGFASLI, Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID 19 pandemic situation/preventive measures.
