About DGFASLI & Central Labour Institute-Mumbai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Central Labour Institute, Mumbai is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health.

Background

Hazards and risk of accidents are always a threat in chemical industries due to complex processes and inefficient controls that would allow the hazardous chemicals in working environment and surrounding locality. The employer and employee should know the Principles and Practices of Industrial hygiene to reduce the exposure. It is expected from the industrial management to provide adequate arrangements for their assessment. Therefore, Central Labour Institute, DGFASLI, Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID 19 pandemic situation/preventive measures.
