Ministry of Labour and Employment, Government of India

Training Programme on Industrial Hygiene in Industries

(From 16th to 18th-November-2022)

About DGFASLI & Central Labour Institute, Mumbai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the employees at work places. Central Labour Institute, Mumbai is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health.

Background

Hazards and risk of accidents are always a threat in industries due to complex processes and inefficient controls that would allow the hazard in working environment and surrounding locality. The employer and employee should know the Principles and Practices of Industrial hygiene to reduce the exposure. So that they can recognize, evaluate and control the hazards. It is expected from the industrial management to provide adequate arrangements for their assessment. On completion of course, it is expected that participants shall be able to develop the appropriate strategies for the Hygiene and Health protection of the workers, prevention of occupational diseases and better compliance of rules. Therefore, Central Labour Institute, Mumbai is providing a training platform for intended participants.
