TRAINING PROGRAMME ON
SAFETY PROVISIONS DURING WORKING AT HEIGHT

11th - 13th January, 2023

at

Regional Labour Institute, Faridabad

About DGFASLI and RLI Faridabad

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places. The Regional Labour Institute (RLI) at Faridabad is a subordinate office under the DGFASLI and caters to occupational safety and health in factories

Background

Working at height can be dangerous if safety precautions are not taken. One should know that even a drop of a few inches can cause serious injury. Fall accidents happen while working at height and most of them prove fatal. This program is intended to help the industry managements/executives to understand the seriousness of fall accidents.

Programme Preamble

This program is designed with for creating awareness about the safety to be taken for working at height. Work requiring the use of stairways, ladders, scaffolding etc must be studied in order to eliminate as much risk to workers.

Programme Highlights

- Hazards and safety provisions associated with Design & Construction of Stairways, Ramps, Gangways, Ladders etc
- Statutory Provisions for working at height
- Scaffolding and its type.
- PPE
