Two Days Training Program on Occupational Safety & Health Management System in Factories & Construction Industries 20.02.2023 - 21.02.2023 REGIONAL LABOUR INSTITUTE KANPUR

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training, and consultancy in the field of occupational safety and health.

Background

The implementation of an effective Occupational Safety & Health Management System (OSHMS) is crucial for an organization to achieve a sound OSH performance and to comply with legal requirements. Organizations of all industries, types and sizes may use the guideline for establishing, implementing and improving an OSHMS and prevention of Hazards and Accidents. Accidents at work and occupational diseases claim the lives of workers resulting in significant financial and economical losses, which are happened due to absent of OSHMS. So, in depth knowledge and understanding of Occupational Safety & Health Management System are essential for better safety and health of all. Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is conducting a training program on Occupational Safety & Health Management System for the intended participants to cater to the need of industries.

Programme Highlights

- Introduction to Occupational Safety & Health Management System.
- Basic Principles of Accident Prevention.
- Techniques of Hazard Identification in Factories and Construction Industries.
- Hazards Control Techniques
