REGIONAL LABOUR INSTITUTE
KANPUR**

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training, and consultancy in the field of occupational safety and health.

Background

No worker should sacrifice his or her life for livelihood. Occupational health, hygiene and safety practices in the industries are of utmost importance for sustainable industrial development. The Nurses, Pharmacists, Allied Healthcare Professionals and Medical Assistants who are working their best for industrial growth, should be regularly updated for new development in the field of occupational health to protect the health of the workers more efficiently and effectively. So, understanding of occupational health practices and latest update associated with it is essential for better safety and health of all. Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is providing a training platform for the intended participants.

Programme Highlights

- Fundamentals of Occupational Health and Safety Practice.
- **Bio Medical Waste Management at OHC**
- **Medical Response during industrial emergency**
- National Policy on Safety, Health and Environment at Workplace
- Latest statutory provisions related to occupational safety, health and welfare measures in the Industries and Ports in India
