One Day Training Programme on “Machine Safety”

(29th September, 2023)

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating National policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

Background

In any manufacturing process use of machinery is inevitable which leads to Occupational Safety & Health related issues pertaining to operations involving these machines. The course of movement of parts of machines driven by power is beyond the control of manual power. Hence, special consideration is required to address and overcome the hazards and risks associated with machines operated at workplace. This programme is intended to be designed to provide the participants with the knowledge to design and plan the operations at workplace involving machinery for ensuring safety & health of workers engaged in such operations.

Programme Highlights

- Statutory Provisions on Machine Safety & National Policy on Safety, Health and Environment at Work Place
- Machine guarding
- Hazard Identification & Risk Assessment for operations involving machine
- Precautionary measures for OSH in operations involving machines.
- Films/ Case Studies
