One Day Training Program on “Hazard Identification Techniques & Risk Assessment” (20-12-2023) REGIONAL LABOUR INSTITUTE, KANPUR

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training, and consultancy in the field of occupational safety and health.

Background

As a preventive measure of minimizing the chance of accident to occur in industries and thereby reducing the possibility of injury, loss of material and degradation of the environment, it is necessary to use more systematic methods for identification, evaluation and control of hazards to supplement the existing procedures. The inherent property of material used in the process and processes themselves poses the potential hazard in any hazardous installation and comprehensive Hazard identification, risk assessment and control are needed for effective safety management. Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is conducting one day training program on “Hazard Identification Techniques & Risk Assessment” for the intended participants to cater to the need of industries.

Programme Highlights

- National Policy on Safety, Health & Environment at Work Place.
- Statutory provision under various Safety Statutes for hazardous process works.
