

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

3-Days Training “Workshop on Hazard and Operability Study (HAZOP)” 11 – 13 December 2023

DGFASLI & RLI Chennai

The Directorate General Factory Advice Service and Labour Institutes (DGFASLI), Mumbai is an attached office of the Ministry of Labour and Employment, Government of India to serve as a technical arm to assist the Ministry in formulating National Policies on Occupational Safety and Health and to advise the State Governments and Factories on matters concerning Safety, Health, Efficiency and well being of persons at work. It also enforces safety and health statutes in major Ports of the country.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Program Background

Industrial workers in their day-to-day work process are exposed to various kinds of hazards at workplace. Various operational hazards resulted due to working procedures, instrumentation, machineries and operational issues. HAZOP is a tool for evaluation of hazards in operation. The operating and maintenance procedures in Chemical Factories to find the design intent and Deviations. It keeps operating personnel alert to the process hazards, reviews operating procedures for necessary revisions, seeks to identify equipment or process changes that could have introduced new hazards. Hence it is necessary for methodical examination of the operating and maintenance procedures that could lead to an accident. The term HAZOP had become popular tool with a wide variety of efforts, activities and programs that are intended to examine the Deviation of a given facility or operations and determines or verifies the extent to which these activities and programmes comply with process and Operation. In the light of the above, it is considered necessary to conduct a training program on HAZOP to cater the need of industries.
